RE: Benefits of Enrollment in Free and Reduced Meal Program

Dear Paly families,

Paly is committed to making sure every student has the chance to participate in activities and academic opportunities that contribute to our vibrant school community. We seek to grant scholarships or discounts to students who qualify for them. Enrollment in the Free and Reduced-Meal Program qualifies students for fee waivers and/or discounts on:

Service/Discount	Additional Related Service/Discount		Contact Person
Scholarships/discounts for PE uniforms, school activities, dances tickets, yearbooks (in senior year), and graduation events	n/a		grade-level Guidance Counselor in the Guidance Department
AP test fee waivers	n/a		Asst. Principal, Ms. Kim, in the Main Office
SAT Reasoning or SAT Subject Test fee waiver	4 College Board <i>college application fee waivers</i> (for use with participating colleges)	4 free SAT <i>test score reports</i> to be sent to the colleges of your choice	Ms. Cernobori or Ms. Erber, College Advisors in the College and Career Center
ACT fee waiver	4 NACAC <i>college application fee waivers</i> (for use with participating colleges)	n/a	
Free transcript requests for college applications and scholarships	n/a		Mrs. Brown, Registrar in the Guidance Dept.

We strongly encourage those of you who might have financial need to review eligibility and consider applying for the Free and Reduced-Meal Program: <http://pausd.org/parents/services/MealPlans/>
 Enrollment in the program must be done on a yearly basis.

The school site doesn't receive a list of students who qualify for the program so it's important that you bring your Notification Letter of Approval of Free and Reduced-Price Meals to your grade-level Guidance Counselor. We ensure confidentiality in this matter; your privacy is important to us.

Thank you,

Paly Guidance
