Paly 2017-2018 Payment & Donation Information

Payments and donations below may be made online at [paly.net](http://www.paly.net) under “Quick Links” (‘Donate’ and ‘Webstore’).

Yearbooks can be purchased on the yearbook website at www.palymadrono.com.

Yearbook: The 2017-2018 Madrono is \$75 if purchased before January 15. Yearbooks must be purchased by January 15 in order to guarantee your copy of the book. After that date, the price will increase to \$90, and it is not guaranteed that you will receive one. (*Money will be refunded if you don't receive a copy*). Half-price yearbooks are offered for all students in the Yearbook class. To purchase senior portraits and parent ads for the yearbook, or for information regarding these, go to palymadrono.com. **** Online purchase of Yearbook is highly recommended. ****

ASB Card: Every student is issued a Paly ID card. For \$25, you may add an ASB (Associated Student Body) sticker to the front of the card, which will provide discounts to school dances (including prom), athletic events and any school apparel purchased on campus. In addition, this fee helps support such fun-filled student activities as Spirit Week, Clubs, Dances, Winter Rally, Field Day and more.

Paly Programs Need Your Support! GO TO: www.paly.net/donate

Journalism Subscription Support: We sure could use your help in offsetting the significant printing and digital publishing costs facing the staffs of *The Campanile*, *C-Mag*, *InFocus*, *[Proof]*, *The Paly Voice*, *Verde*, and *The Viking* sports magazine. The PTSA already generously pays the significant postage bill to get our print publications from the printer to your home mailboxes, and students do their part in raising tens of thousands of dollars each year through advertising sales, but parent contributions each year help us close the final funding gaps. Please consider a donation of \$25 or more. (*Note: This request is separate from the request of the Media Arts Boosters, which focuses on other areas of program support in journalism and the media arts.*)

Paly Community Service: Did you know that youth are empowered by service, and that community engagement can help to make purposeful post-high school plans? Paly's Service Scholars contribute more than 40,000 hours of community benefit annually, including many projects such as President's Award for Volunteer Service and Paly Service Day. See paly.net/community-service for details. Suggested contribution: Gold Benefactor \$250, Silver Supporter \$75, Bronze Believer \$25.

Career Month: EXCELLENCE: Finding Passion in Work and Life. Paly's 7th Annual Career Month event (March) will include approximately 20 dynamic lunchtime career speakers, along with on-campus events and job site field trips for students to find out about possible career pathways and what it takes to find a career they'll enjoy. Your donation will help us continue the tradition of providing lunch to student participants and to guest speakers: \$25 provides 10 lunches, \$75 for 30 lunches, and \$250 for an entire venue (100 students). See paly.net/community-service/career-month for more information.
