

RISE TOGETHER EDUCATION
a Foundation to provide multi-year college scholarships & mentoring to high achieving, low-income students at Palo Alto High School

Please support the class of 2018 and help us award more need-based scholarships!

Our Mission: *Rise Together Education* is dedicated to improving college graduation rates by providing mentoring and financial resources to low-income Palo Alto High School students and graduates, who have excelled academically and been accepted to 4-year colleges or 2-year community colleges.

Launched in 2015, *Rise Together Education* has **awarded need-based scholarships to help 30 Paly graduates from the class of 2016 and 2017** realize their dreams of pursuing higher education. Many awardees have overcome significant financial and personal hardships and have expressed deep appreciation for our support. Read more about their stories at www.risetogthered.org.

Did you know? At our sister school, the Gunn Foundation has been supporting Gunn's low income college bound students since 1968. At Paly, we are proud to finally have a foundation of our own! We have some catching up to do and need your support to not only help this year's class of seniors, but to create an endowment for future Paly graduates to realize their college dreams. Please consider making a tax deductible donation, and let us know if you would be interested in learning more about joining the board or becoming a mentor.

Back to School suggested donation:
