

Hello All,

I hope everyone is having a restful and enjoyable summer. I am excited to start my new role as Athletic Director and would like to welcome you back to campus for another exciting year of Viking athletics. Our athletic program has a long history of excellence that provides Paly student athletes with opportunities to compete at the highest level while also learning sportsmanship, honesty, dedication, and teamwork. We look forward to continuing that tradition this year and providing various athletic opportunities for our students.

The first day of fall season tryouts is August 4th, however many teams have specific tryout dates please find your fall sport and contact the coach at the email listed below. Prior to trying out student athletes and parent/guardian need to have created an athletic clearance account (<https://www.athleticclearance.com>) and turn in a hard copy physical which is performed by a licensed physician. Physicals are valid through the entire school year—which means that one physical during the summer will suffice for all three sports seasons. Fall physical turn-in dates will be: **August 2nd & 3rd** from 1-3pm, **August 4th** from 11am-1pm, and Monday **August 7th** 9am-11am & 1-3pm at the Peery Center (entrance near Baseball field). Please visit <http://palyathletics.com> (registration tab) for more information regarding the athletic clearance process and to access the Physical form.

Over the past few years the Paly gym has been under construction and is set to open this upcoming school year. We invite you to come join us for the first athletic event in the Peery Center, which will be a volleyball game versus Gunn on August 31, 2017!
