

Parents- viewing and printing student schedules in Infinite Campus

To view your student's schedule, click on **Schedule**, and you will see your student's schedule. If you have more than one student in PAUSD, after you click on **Schedule**, you can select the student for whom you want to see the schedule by clicking on the arrow next to the currently selected student's name and photo.

To print your student's schedule, click on **Reports** and then click on **Paly Schedule**. If you need to print the schedule for a different student in your family, click on the arrow next to the currently selected student's name and photo to choose a different student.
